Vision

To provide value based education to the educationally, socially, economically backward and under privileged rural women students and contribute towards promoting Women empowerment to build a strong and healthy society.

Mission

To enlighten the women mainly from rural areas and backward communities through value based education, molding students into leaders, entrepreneurs and nation-builders.

About the College

E. M. Gopalakrishna Kone Yadava Women's College, Madurai was founded in the year 1974 at E.M.G. Kalyana Mandapam Tallakulam, Madurai, Tamilnadu. The Motto of the college is "Magalir Arivu Kudumba Uyarvu", which means "By educating a woman we educate the whole family". It was established with the aim of providing education to the underprivileged women students and now it has

flourished into a First Grade College, providing value added education and career oriented course for all. The mission of the institution is to achieve gender parity through women education and thereby creating a society in which the women become respectable, self-reliant and self-sufficient.

The Patron of the college is Thiru. E.M.Gopalakrishna Kone, Madurai. His vision was to provide education for the economically and socially backward women and to uplift them to a state of dignity through economic prosperity and societal recognition. His desire was to spend the hard earned money through publishing and selling books to provide education to the poor and underprivileged women. To fulfill his father E.M.Gopalakrishna Kone's vision, his son Thiru.E.M.G Soundara Rajan has generously donated 15 acres of land for this institution.

The sincere and adorable service of Thiru. E.M.G. Soundara Rajan is being continued by Tmt.E.M.G.S. Indirani, a noble eminent lady, an able administrator and a spiritualist. Her selfless service in promoting women empowerment has encouraged this institution to raise its standard to the level of excellence.
