BEST PRACTICE - 1

Title of the Practice: GANDHIAN THOUGHT

Objectives of the practice

- To involve the students to understand the basic and advanced levels of knowledge, concepts, principles, and theories related to Gandhian thought.
- To develop capacity building in unfamiliar problems and find Gandhian ways in real-life situations through Gandhian views and philosophies.
- To involve and interact respectfully with diverse cultural groups on Gandhian lines, as our Institution possesses Gandhian values and principles.

The context

The Institute strongly believes that the thoughts and sayings of Gandhiji will kindle the inner thoughts of students. The Vision of the Institute focuses on Women Empowerment. It is attained not only from the curriculum and skill development courses but also by the inner strength which possesses willpower and self-discipline. It is resilience, perseverance and tenacity, which means inner fortitude, expressing itself as assertiveness, courage and the ability to withstand difficulties and obstacles. Gandhian Values like Truth, Non-Violence, Renunciation, Humility, Equanimity etc. The Institution roots may provide it with a firm footing in this turbulent scenario. Self-belief means believing in what you do and never change of one's mind, integrity, respect for all, leadership, simplicity and humility. Willpower is the need of the hour which is a process of overall personality development of a student including Character development, Personality development, and Spiritual development.

The Practice

Our students participated in the Gandhian Thought Examination through Certificate and Diploma Courses, conducted by Madurai Kamaraj University. While the students accomplish their graduation, they will be provided with this 'Gandhian Thought Certificate' as an added value.

Evidence of Success

“Rolling Shield” was bagged by our college for involving more number of students in this Gandhian Thought Course. Every student will get the Certificate of Gandhian Thought (CGT) and Diploma in Gandhian Thought (DGT) while completing their graduation. The staff members also show their ardent interest to participate and get the certificates with the same vigour and spirit.

Problems Encountered and Resources

This course was conducted under the control of Madurai Kamaraj University. During the pandemic period, some of the practical difficulties faced are issuing hall tickets, receiving answer scripts, receiving certificates through postal mode was an impediment.

BEST PRACTICE - 2

Title of the Practice: SKILL DEVELOPMENT COURSES

Objectives of the practice

- The Institution trains the students in the fields of Soft Skills, Communication Skills, and Intrapersonal skills and prepares them to face interviews to get better placement.
- In today's competitive world where a large number of professionals are passing out from various Institutions and looking for jobs, the recruiters have an upper hand in selecting the best people who fit their requirements.
- Our Institution has students with different educational and social backgrounds. Students are involved to understand the importance of career building, industrial jobs and entrepreneurship during their period of study

The context

Our Institution provides education for economically and socially backward women and also uplifts them to a state of dignity through economic prosperity and societal recognition. The motto of the college states "By educating a woman we educate the whole family". Apart from education, the Skill Development Courses play a major role in fulfilling our College motto. It was started with a basic and minimal level and a lot of students are benefited when they finish their graduation. Students are promoted as future entrepreneurs, through skill development courses. Courses and seminars were conducted through online due to pandemic.

The Practice

- The Institution organized one day Online Webinar on "Incubating an Idea into a Reality", "Swachhta Action Plan" Dr. Umarani Purusothaman, Mahatma Gandhi National Council of Rural Education, Department of Higher Education, Ministry of Education, Government of India addressed on the awareness of Covid -19 and Skill Development Program.
- **Mr. K. Subramaniyan, Director of MSME (Micro, Small and Medium Enterprise)**, Madurai elucidated elaborately on the regulations and on availing loan facilities for young women entrepreneurs and the process of registration in UDYAM (MSME).

Evidence of Success

The students are creating their own employment in the field of Tailoring, Doll Making, and Beautician during the course of time. Students learned about the practical difficulties in starting the business, awareness of the MSME and their schemes, bank loans and their eligibility to start their own business to become a successful entrepreneur.

On successful completion of these courses, students would be able to equip themselves with Self Preventive measures, avoiding pessimistic thinking, boosting the level of self-confidence, identifying their business opportunities and tackling the business which increases their strength to develop their entrepreneurial skill.
