**EMPLOYERS FEEDBACK
ACTION TAKEN REPORT ON CURRICULUM
2023-2024**

Sl.No.	RECOMMENDATIONS	ACTION TAKEN
1.	Enhance practical training.	Increased collaboration with industries for field visits, internships and live projects, to integrate more real-world case studies and hands-on projects into the curriculum.
2.	Strengthen Campus Drives and Placement Support.	Expanded outreach to companies in emerging sectors and improved placement training programs.
3.	Enhance Support for First-Generation and Rural Students.	Launched mentoring programs and provided academic support, mentorship programs, and career guidance for first-generation and economically weaker students.
4.	Expand Entrepreneurship Training	The entrepreneurship development cell focuses on entrepreneurial skills by offering specialized skill development courses, workshops on start-ups and innovation, and also makes the students participate in other institutions and entrepreneurs.
5.	Enhance Communication and Technical Skills	Provided training sessions on communication, teamwork, and advanced technical skills, especially during the first year in association with Cambridge English to bridge the gap between academic knowledge and industry requirements.
