**STUDENTS FEEDBACKS  
ACTION TAKEN REPORT ON CURRICULUM  
2022-2023**

Sl. No.	RECOMMENDATION	ACTION TAKEN
1.	Focus on global trends and regional needs through updated course materials and case studies.	More case studies relevant to current socio-economic and global scenarios will be integrated into the curriculum.
2.	Introduce additional courses aimed at imparting soft skills, leadership, and critical thinking.	Additional value-added courses will be introduced to enhance employability and life skills.
3.	Integrate more real-world projects, internships, and industry collaborations into the academic program.	More hands-on experience opportunities will be provided through real-world projects and internships.
4.	Encourage teachers to develop clearer and more concise study materials.	Teachers will be guided to enhance the clarity in organization with study materials and additional digital resources will be made available.
5.	Stock the library with more up-to-date books, journals, and e-resources aligned with the syllabus.	The library will be enhanced with more curriculum-related materials for easier access by students.
6.	Conduct a detailed review of course papers for balance in content, relevance, and difficulty level.	A review of course papers will be conducted to ensure that they meet quality standards.
7.	Increase the number of extracurricular activities focusing on social responsibility and ethical development.	More extracurricular activities will be introduced to promote ethical and societal values.
8.	Regularly update the curriculum in consultation with industry experts and academic leaders.	The curriculum will undergo regular updates to remain current and relevant for student development.
