### YOUTH TALENTIA - (OFF STAGE EVENTS)

#### Objectives:

Youth Talentia was designed to uncover and nurture the hidden talents and smart skills of students beyond academic performance. The off-stage events offered a range of creative and skill-building activities aimed at enhancing students' soft skills, such as communication, teamwork, and adaptability. By engaging in various competitions, students were encouraged to step out of their comfort zones, build confidence, and showcase their unique abilities in a supportive environment. This program not only served as a platform for self-expression but also empowered
