YOUTH TALK AT ICT ACADEMY

Objectives of the Program

1. To empower students to adapt and excel in an ever-evolving business environment.
2. To help students explore and examine their personal identities through talks and experiences shared during the Leadership Summit.
3. To foster confidence in public speaking by providing a platform to articulate their views effectively.

Program Outcomes

1. Students overcame stage fear by articulating their ideas confidently during the summit.
2. By engaging in discussions and presenting their views, participants developed critical thinking, decision-making, and interpersonal skills essential for leadership.
3. The program enabled students to introspect and recognize their strengths, values, and areas for improvement in their personal and professional journeys.
4. Exposure to real-world leadership scenarios provided students with the tools to thrive in competitive and fast-changing business environments.

The Youth Talk at ICT Academy was a transformative experience that empowered students to embrace leadership roles confidently. The Department extends its gratitude to the ICT Academy for their invaluable collaboration and to the students for their enthusiastic participation. This initiative has undoubtedly set a strong foundation for future leaders to contribute meaningfully to society and the business world.
