### INDUSTRIAL VISIT

#### Objectives:

- Provide students with practical exposure to real-world industrial processes and operations related to their field of study.
- Enable students to apply theoretical knowledge gained in classrooms to practical scenarios observed during the visit.
- Develop industry-relevant skills such as observation, analytical thinking, problem-solving, and communication skills through firsthand exposure.
- Help students explore various career opportunities available within the industry and understand job roles and responsibilities.

## E.M.GOPALAKRISHNAKONE YADAVA WOMEN'S COLLEGE

### Programme Outcome:

- Gained firsthand knowledge and practical insights into industrial processes, technologies, and operations related to their field of study.
- Applied theoretical concepts learned in classrooms to real-world industrial scenarios, enhancing understanding and relevance of academic coursework.
- Explored various career opportunities within the industry, understanding job roles, responsibilities, and required skills firsthand.
