**NATIONAL SCIENCE DAY CELEBRATION "SCIENCE THROUGH PHYSICISTS"**

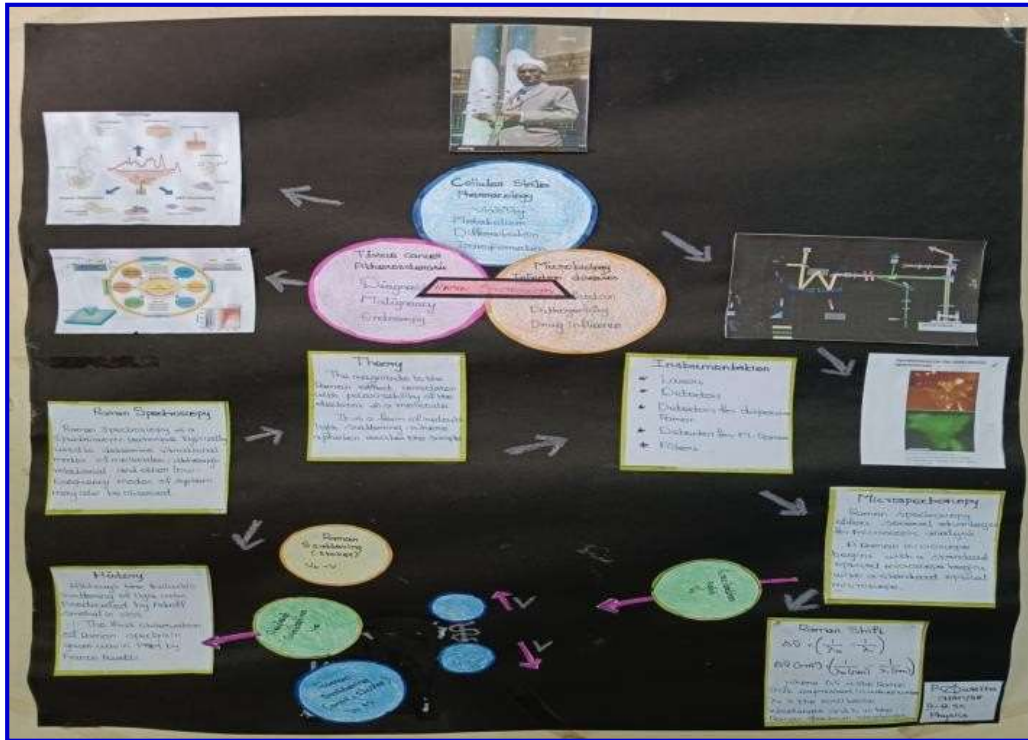

**Objectives:**

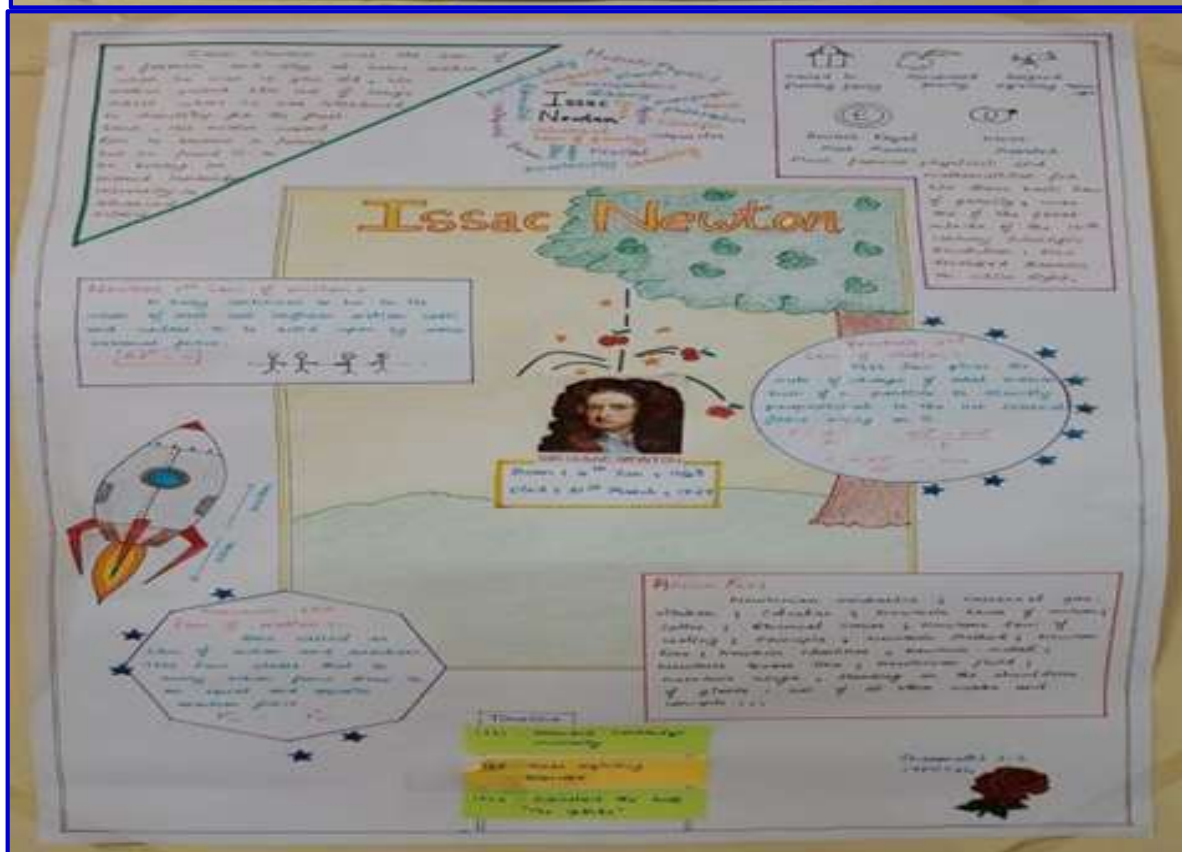

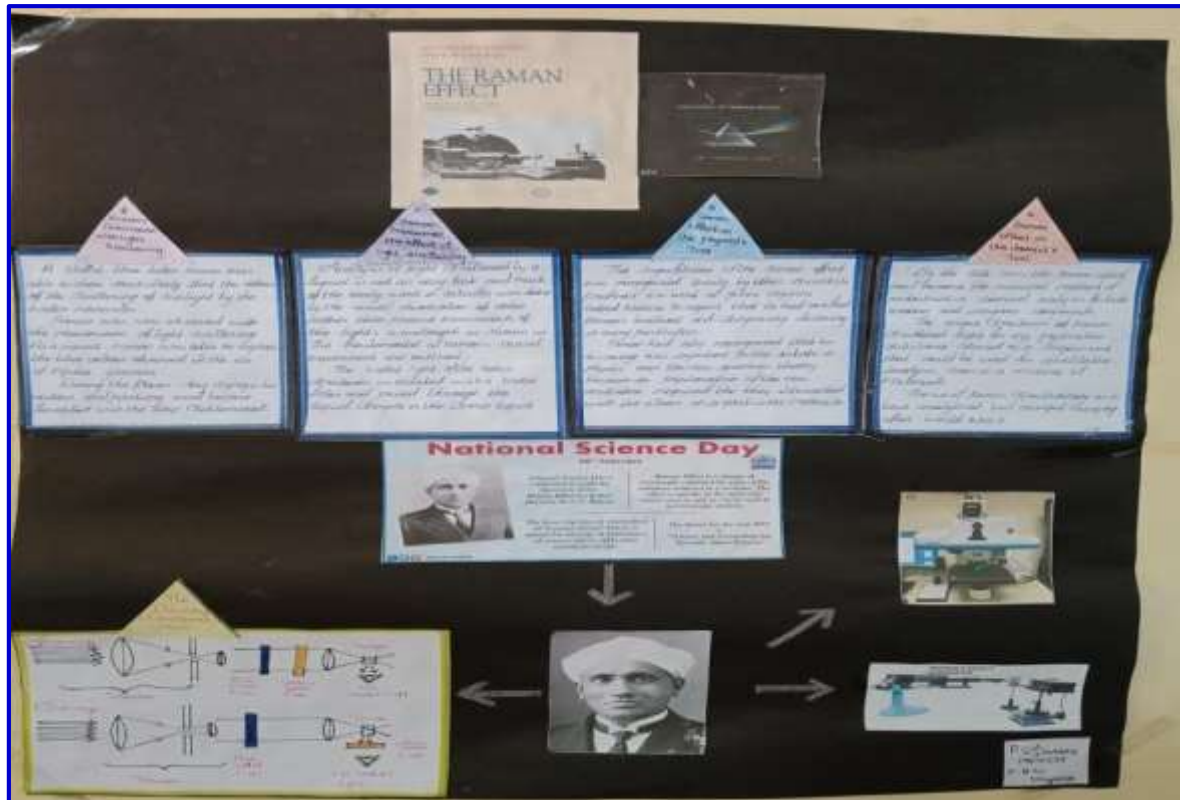

The objective of the "Science Through Physicists" poster presentation on National Science Day is to showcase the contributions of physicists in advancing scientific knowledge and technological innovations. To promote awareness and appreciation of the role of physics in various scientific disciplines. To impart the efforts and accomplishments of Indian scientists, advance science, and to bring scientific mindset among the Students.

**Programme Outcome:**

The outcome of the poster presentation is to inspire students and researchers to pursue physics-related studies and careers, fostering scientific curiosity, innovation and encouraging further exploration in the field of physics.
