INTERNSHIP TRAINING

Objectives:

- To provide students with practical, hands on experience in a professional setting, allowing them to apply theoretical knowledge, develop relevant skills and gain insights into potential career paths.
- It aims to bridge the gap between classroom learning and the demands of the real world.

Programme Outcome:

- Internship in school can yield outcomes such as enhanced practical skills, a deeper understanding of the professional environment, improved self-confidence, and valuable networking opportunities
- Students may gain insights into their career preference and potentially make informed decisions about their future educational and professional paths.
