EXTENSION PROGRAMME ON "VEDIC MATHEMATICS"

Objectives:

1. To depict an easy-to-understand and simple way of solving mathematical and arithmetical problems through the techniques and sutras of Vedic mathematics.
2. To remove the panic of mathematics from the young minds and solve complex problems through time saving calculations.

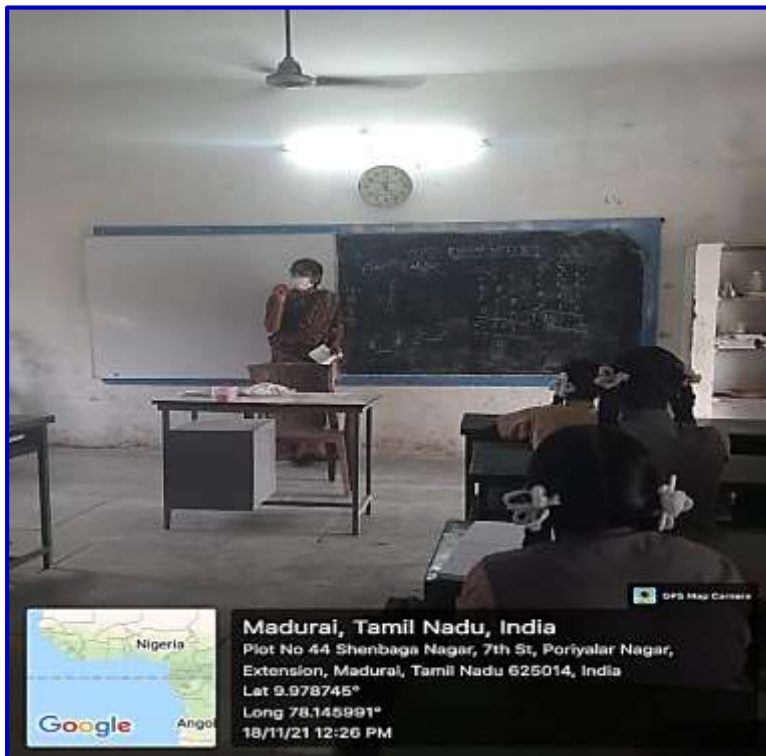

Programme Outcome:

On Successful completion of the programme,

1. Students were able to learn simpler and faster ways of solving the problems.
2. Students were strengthened with lots of shortcut skills to reduce the difficulties in memorizing.
