

DEPARTMENT : PHYSICS

ACTIVITY : ORIENTATION PROGRAMME

YEAR : 2023-2024

DEPARTMENT OF PHYSICS

DATE	TIME	VENUE
04.07.2023	10:00 a.m. to 03:00 p.m.	Physics Lab E.M.G Yadava Women's College
Theme	A comprehensive overview of their academic journey.	
Nature of the Activity	Orientation Programme	
Title	Introduction to the World of Physics	
Convener	Mrs.R.Kayalvizhi Head, Assistant Professor of Physics E.M.G. Yadava Women's College	
Participants	Students - 17	

ORIENTATION PROGRAMME ENTITLED "INTRODUCTION TO THE WORLD OF PHYSICS"

Objective:

- To welcome the first-year students to the Department of Physics and provide them with an overview of the academic journey ahead.
- To introduce students to the department, its faculty, the curriculum, and the various opportunities available in the field of physics.
- To help students acclimate to their new academic environment.

Highlights of the Programme:

The Head of the Department welcomed the new students and provided an overview of the department's history, mission, and vision.

Faculty Introductions: Faculty members introduced themselves and shared their research interests, teaching areas, and the support available for students.

Curriculum Overview: A detailed explanation of the undergraduate physics curriculum was provided, including core courses, electives, laboratory work, and research opportunities.

E.M. GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE

Academic Resources: Information about the department's library, laboratories, and other academic resources was shared.

Student Support Services: An introduction to the various student support services available, such as tutoring, academic advising, and counselling services.

Extracurricular Activities: An overview of the extracurricular opportunities available within the department, including student clubs, seminars, workshops, and competitions.

Q&A Session: Students had the opportunity to ask questions and clarify any doubts they had about their upcoming academic journey.

Feedback from Participants:

Students: The first-year students expressed that the orientation programme was informative and helped them feel more comfortable and prepared for their studies. They appreciated the opportunity to meet faculty members and learn about the resources available to them.

The orientation programme was a successful initiative by the Department of Physics to welcome and guide first-year students. It provided a comprehensive introduction to the department and helped students understand the academic and extracurricular opportunities available to them. The positive feedback from both students and faculty underscores the effectiveness of the programme in achieving its objectives.
