M.K.STALIN PHOTO EXHIBITION VISIT

Objectives:

The visit to the M.K. Stalin Photo Exhibition was organized to inspire students by showcasing the life and achievements of M.K. Stalin, helping them connect historical and contemporary political efforts with their own areas of study. This exposure aimed to deepen students' understanding of leadership, social responsibility, and the impact of dedicated public service, encouraging them to align their educational pursuits with societal contributions.

Programme Outcome:

Students participated enthusiastically, engaging with the exhibition and gaining valuable insights into the roles that leadership and public service play in shaping society. This experience fostered a sense of purpose, motivating students to apply these insights within their own fields and consider how their knowledge could contribute to meaningful change.
