SEMINAR ON "HIGHER EDUCATION IN ABROAD"

Objectives:

1. To provide students with detailed information about higher education opportunities available in foreign countries.
2. To guide students through the admission processes, including applications, visa requirements, and language proficiency tests.
3. To familiarize students with scholarship options and financial aid available for studying abroad.
4. To help students understand the cultural and academic differences in international education systems.

Programme Outcomes:

1. Students gained comprehensive knowledge about universities and courses offered abroad, enhancing their higher education options.
2. Participants were well-informed about the step-by-step process for applying to international universities, making the admission process clearer.
3. Students became aware of various scholarships and financial aid opportunities, encouraging them to explore affordable study options.
4. Participants understood the importance of preparing for cultural and academic adjustments when studying abroad.
5. The seminar instilled confidence in students to take the necessary steps toward pursuing higher education in foreign countries.
