FRESHER'S ORIENTATION PROGRAMME

Objectives:

To introduce new students to the Department of History, helping them become familiar with the institution's environment, culture, and academic ethos. The program is designed to ease the transition into College life, providing students with an understanding of the department's values, expectations, and resources. It also seeks to nurture a sense of community and belonging among the fresher's, ensuring they feel supported as they embark on their academic journey.

Programme Outcome:

The orientation successfully equipped new students with the necessary knowledge, skills, and resources to navigate their academic and social life within the institution. By the end of the programme, participants had developed a solid understanding of the department's expectations, felt more confident in their ability to manage their studies, and had started building connections with peers and faculty, which would contribute to their future success and productivity as members of the department.
