expertise and diverse perspectives, enriching the students' learning experience and broadening their understanding of literary and social issues.

### **Programme Outcomes:**

The Debate Forum was highly successful in achieving its objectives. Students benefited from the guidance of experienced external moderators and debaters, which significantly enhanced their speaking and debating skills. The exposure to new ideas and viewpoints helped them to refine their arguments and present their ideas more effectively. The forum also provided an opportunity for students to gain a broader literary perspective, as they engaged with external speakers who introduced them to different literary genres, authors, and cultural contexts. Additionally, the forum reinforced the importance of social values by encouraging students to critically analyze and discuss ethical and moral issues presented in literature. This not only increased their awareness of social responsibilities but also inspired them to think more deeply about the impact of literature on society. The Debate Forum on “Madurai Literary Festival” was a valuable learning experience that contributed to the students' intellectual growth, enhanced their communication skills, and deepened their appreciation for literature and its role in society.
