Coordinators		Mrs.Kalaivani Assistant Professor of History Mrs.R.Subanya Assistant Professor of Mathematics EMGYWC
Participants		Staff & Students

ROAD SAFETY DAY

Objectives:

The Road Safety Day event aimed to educate students on essential traffic rules and cultivate responsible behaviors that contribute to safer roads. Through interactive sessions, the program encouraged students to actively participate in discussions on road safety, understand the significance of wearing helmets, seat belts, adhering to speed limits, and following other traffic rules. This initiative was designed to inspire students to be vigilant and responsible on the road, both as pedestrians and future drivers.

Programme Outcome:

Students engaged enthusiastically, participating in role-play activities, demonstrations, and discussions led by road safety experts. By the end of the event, they developed a heightened awareness of safety protocols and a commitment to advocate for responsible behavior on the road, reinforcing a community culture focused on reducing accidents and promoting safe travel.
