PANEL DISCUSSION

Objectives:

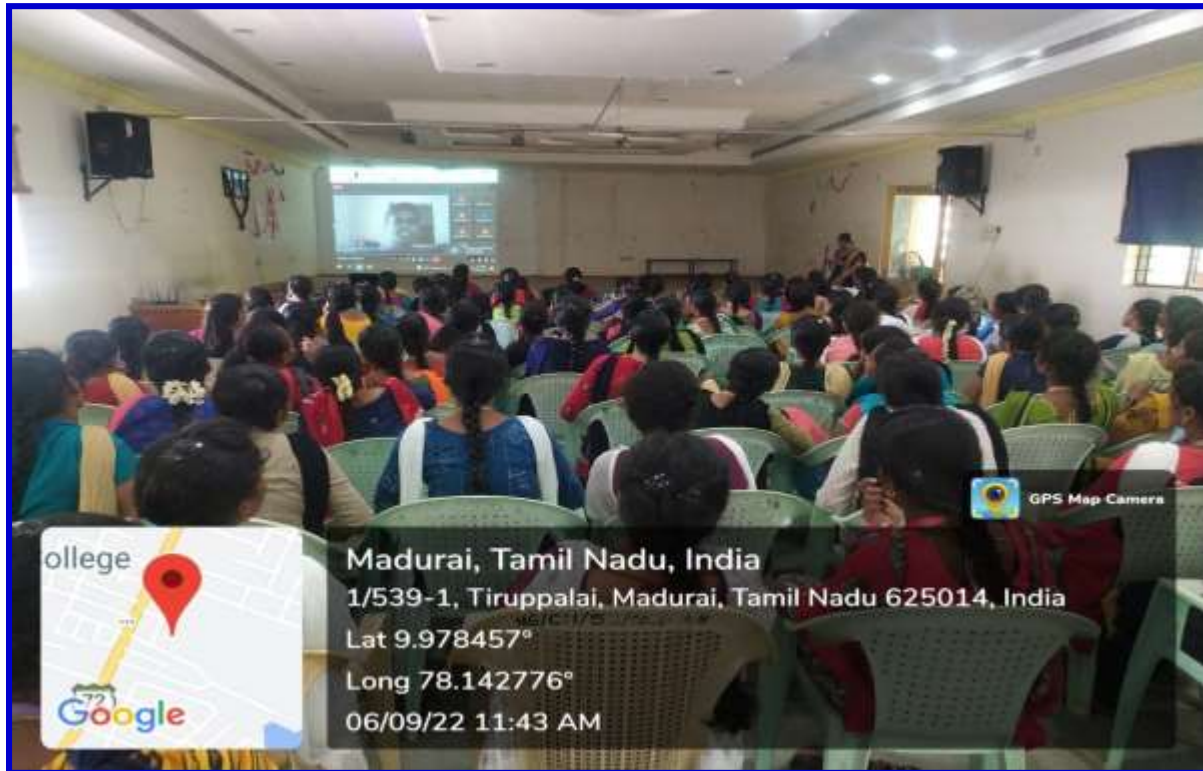

The panel discussion was organized to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan, honouring his contributions to education and fostering a stronger bond between the faculty and students of ANJAC and EMG Yadava Women's College. The event aimed to highlight the role of educators in shaping young minds and building a progressive nation.

Programme Outcomes:

The discussion engaged both faculty members and students in meaningful dialogue, emphasizing the vital influence of teachers in guiding the youth toward personal growth and civic responsibility. Through reflective conversations, participants explored how educators inspire students to become informed, responsible citizens committed to national development. Faculty shared experiences and insights on nurturing resilience, creativity, and ethical values among students. This interaction also encouraged students to envision their roles in society, fostering a collective sense of purpose toward nation-building. The panel discussion was successful in honoring the legacy of Dr. Radhakrishnan and strengthening the student-teacher relationship, creating a shared vision for a better future.
