GUEST LECTURE ON "WILDLIFE"

Objective: To educate students on the vital role of wildlife and their contributions to the ecosystem's balance. The session highlighted the importance of conserving biodiversity and understanding complex interdependencies within nature. Students were exposed to various aspects of wildlife, including its ecological, cultural, and economic significance, creating a comprehensive awareness of environmental sustainability.

Programme Outcome: The lecture was notable for sparking student interest in wildlife-related pursuits. The insightful discussion and vivid examples inspired many students, kindling a passion for wildlife and conservation efforts. Additionally, some students expressed interest in

I had presented a talk on the title wildlife of Tamilnadu
It was a wonderful experience to share my insights
as a field biologist and hope students get inspired to
do lots of field work and research.
