Organisers	Dr.A.Bavani Dr.G.Nagalakshmi Dr.T.Sudha Assistant Professors of History EMGYWC		
Participants	Faculty - 3 Students - 69		

FIELD VISIT TO "KEELADI"

Report:

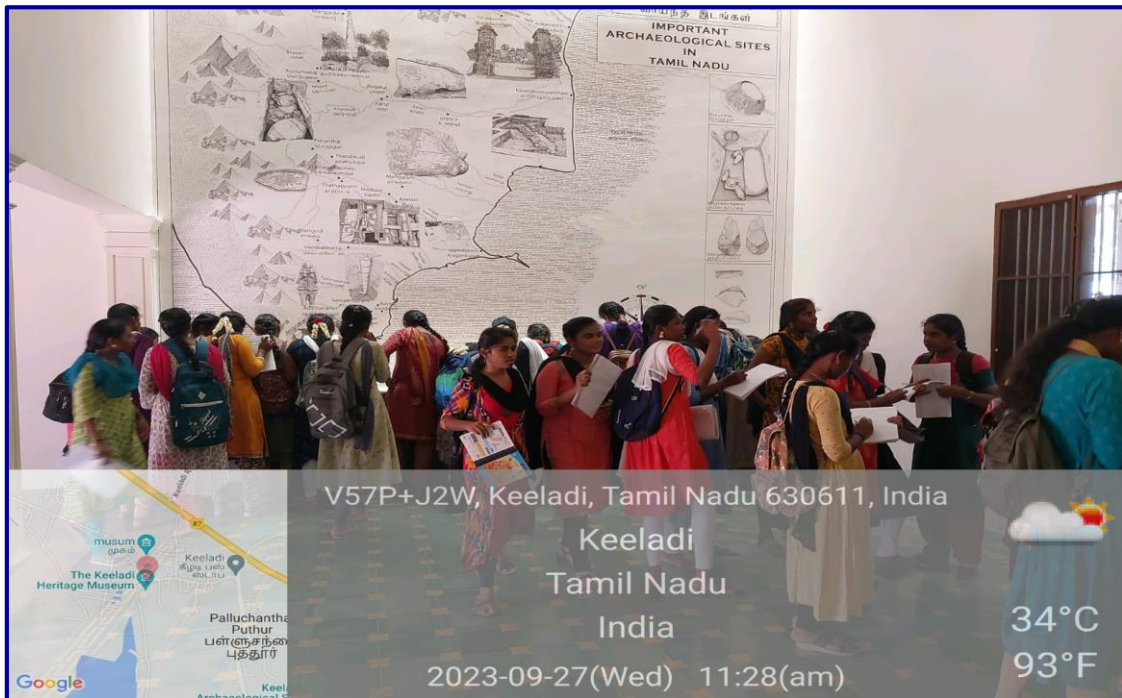

The Department of History organized an archaeological field visit to Keeladi, Madurai, on 27.09.2023. The primary objective of this visit was to explore the archaeological sites of Keeladi, which are significant for understanding the ancient history and cultural heritage of the region. During the visit, students had the opportunity to examine various excavation sites at Keeladi, where they gained valuable insights into the life and culture of the people who lived there during the Sangam period. The exploration provided a comprehensive view of the artefacts, structures, and inscriptions uncovered in the area, which shed light on the social, economic, and artistic aspects of ancient Tamil civilization.

The program had a profoundly enriching impact on the students. It helped them bridge the gap between their theoretical knowledge and real-world evidence, providing a deeper

understanding of the cultural and historical context of the Sangam era. By observing the excavation process and discussing findings with experts, students acquired practical knowledge about archaeological methods and historical research. Overall, the visit enhanced their appreciation for the significance of archaeological sites and their role in uncovering historical truths.
