**EXTENSION SERVICE ON "USAGE OF INTERNET"**

**Objectives:**

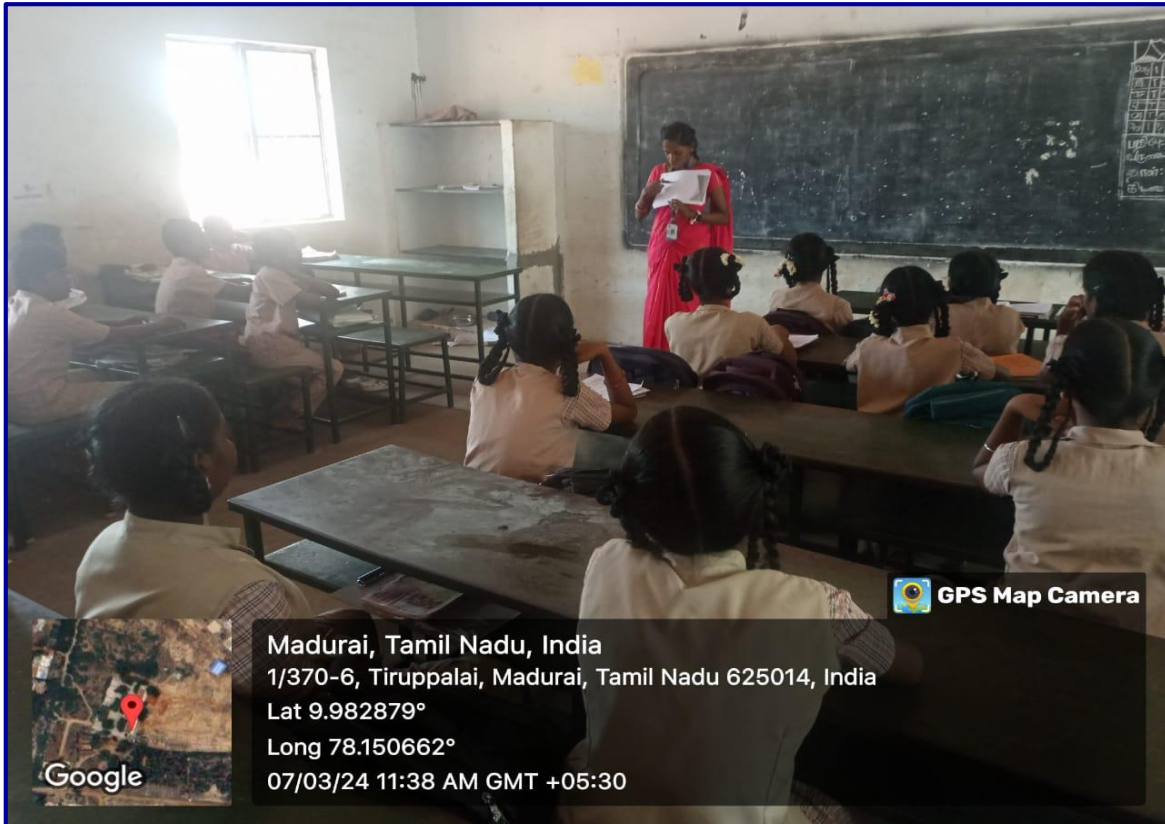

1. To enhance students' digital literacy, focusing on responsible online behaviour and cyber security awareness.
2. To introduce students to various online educational platforms and resources that can supplement their classroom learning.

**Program Outcome:**

The extension service successfully educated students on the basics of internet usage. Students gained a comprehensive understanding of online safety measures, such as identifying online scam attempts and securing personal information. The sessions also emphasized the importance of using the internet as an educational tool, resulting in increased confidence among students in leveraging online resources for academic purposes. The program received positive feedback from both students and faculty, leading to a request for follow-up sessions to further develop the students' digital skills.
