FREE COACHING CLASS ON "PYTHON"

Objectives:

1. To equip students with a solid understanding of Python programming, from basic to advanced levels.
2. To impart logical thinking and algorithmic problem-solving using Python.

E.M.GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE

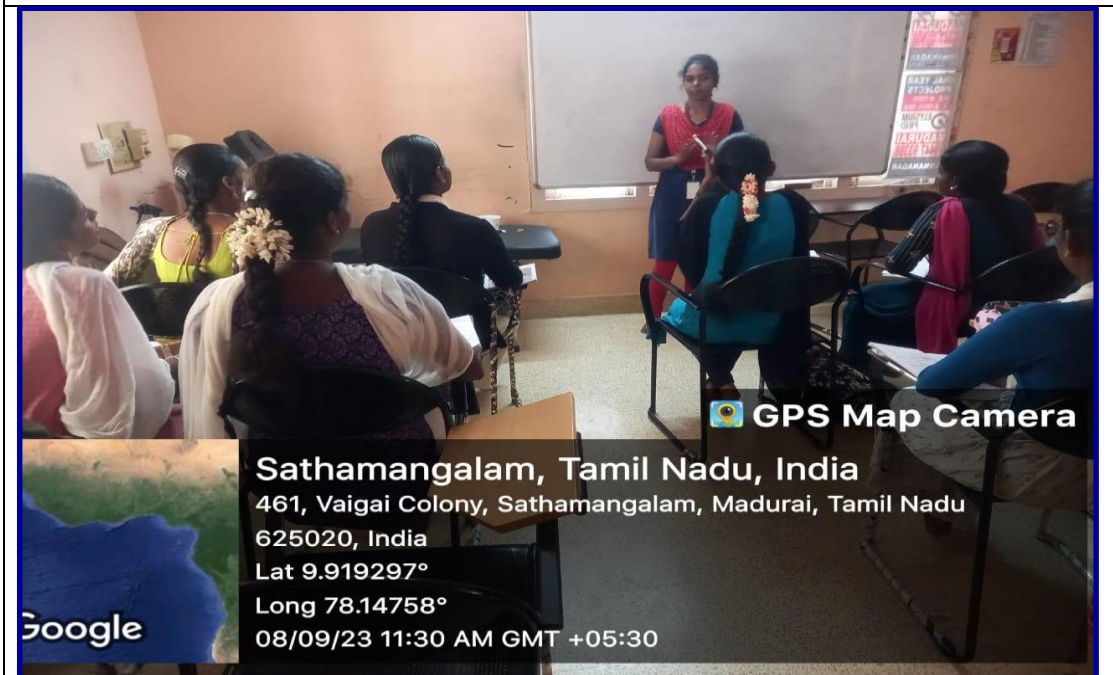

3. To prepare students for real-world job opportunities in software development, data science, and related fields by offering hands-on experience.
4. To provide financial assistance through stipends, ensuring that students from SC/ST backgrounds can focus on learning without financial constraints.

Programme Outcomes:

1. Upon completion of the program, students were able to write efficient Python programs and use Python libraries effectively.
2. Developed strong logical thinking and problem-solving skills using Python-based solutions.
3. They were prepared to pursue careers in software development, data analysis, and automation, applying the knowledge gained during the program.
4. With the stipend support, students were able to complete the course without financial barriers, focusing entirely on their learning and skill development.
