PHYATES -2022 "INTRADEPARTMENTAL QUIZ COMPETITION"

Objectives:

To enhance and promote knowledge, understanding, critical thinking and problem-solving skills.

To fostering healthy competition and motivation among students.

To encourage fun learning methods and enhance subject knowledge.

To promote a healthy debate amongst participants through sharing of knowledge.

Programme Outcome:

Intradepartmental quiz competitions play a vital role in the physics discipline by enhancing knowledge, promoting critical thinking, fostering collaboration, and motivating students to excel. These competitions not only improve academic performance but also contribute to the overall personal and professional development
