PARENTS TEACHERS MEETING

Objective:

To discuss students' general performance and progress with their parents, providing a comprehensive overview of their academic standing and areas for improvement.

Programme Outcomes:

The major outcome of the Parents Teacher's Meeting included:

- Engaged in meaningful discussions with parents regarding their children's academic performance, behaviour, and overall progress.
- Addressed individual concerns and queries from parents about their children's education and well-being.
- Shared detailed grade sheets with parents, highlighting students' strengths and areas needing improvement.
- Provided insights into students' performance in various subjects, including specific feedback from instructors.

Further Improvement:

- Collaborated with parents to develop strategies for further improvement of students.
- Discussed additional support measures, such as extra coaching or resources, to help students achieve better academic outcomes.

The meeting promoted a stronger partnership between parents and teachers, enhancing communication and collaboration to support students' educational journey.

Feedback:

Feedback from the Parents Teachers Meeting was positive, with parents appreciating the informative discussions and detailed grade sheets. Both parents and teachers found the meeting beneficial for identifying improvement areas. Suggestions included more frequent updates, personalized meetings, virtual options, and follow-up plans to monitor progress and support students.
