GUEST LECTURE ON "CAPITAL BUDGETING"

Objectives:

The primary objective of this guest lecture on Capital Budgeting is to equip students with a comprehensive understanding of the key principles and practices involved in making strategic investment decisions. By focusing on maximizing shareholder value, evaluating diverse investment opportunities, managing financial risks, and efficiently allocating resources, the lecture aims to provide students with the tools needed to plan for the long-term success of a business. This session will also highlight the importance of integrating these financial strategies into broader corporate goals, enabling students to understand the critical role of capital budgeting in sustainable business growth.

Programme Outcome:

E.M.GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE

This lecture offered students a unique opportunity to experience different teaching methodologies and apply theoretical knowledge to real-world scenarios. By engaging with the content, students discovered the learning strategies that resonated best with them, which enhanced their ability to grasp complex financial concepts. Ultimately, this exposure helped them refine their analytical skills, better preparing them for future roles in finance and business management.
