ENTRY LEVEL TEST ON "TAMIL LANGUAGE INTRODUCTION"

Objectives:

To assess the foundational knowledge of students in the Tamil language. The test was designed with the primary objectives of evaluating students' understanding of the excellence of Tamil and its rich history, as well as gauging their overall ability in the language.

The test included questions that covered various aspects of Tamil, ranging from its historical development to its unique linguistic features. The objective was not only to test students' prior knowledge but also to inspire them to delve deeper into the study of Tamil literature and culture.

Programme Outcome:

The outcomes of the test were insightful, providing a clear indication of the students' proficiency in the Tamil language. The results highlighted the strengths and areas for improvement among the students, offering valuable feedback for both educators and learners. This initial assessment served as a benchmark for further learning, ensuring that students are well-prepared to advance in their studies of Tamil.

The feedback from participants indicated that the test was a valuable experience, motivating them to engage more deeply with the Tamil language.
