### **WEBINAR ON "RESEARCH ETHICS & CONTENT WRITING"**

The Internal Quality Assurance Cell of EMGYWC organized a webinar on "Research Ethics & Content Writing" on 31.05.2024. The session aimed to enhance participants' understanding of the ethical principles involved in research and provide insights into effective content writing practices.

#### **Objective of the Webinar:**

- To create awareness about the ethical considerations in research.
- To guide participants on how to maintain integrity in academic writing.
- To equip attendees with skills in writing high-quality research content and articles.

#### **Key Highlights:**

1. **Research Ethics:** The webinar began with an in-depth discussion on the importance of ethics in research. The speaker emphasized the significance of honesty, transparency, and accountability in conducting research. The topics of plagiarism, data fabrication, and falsification were addressed, with the speaker outlining ways to avoid these malpractices. The concept of informed consent and the responsible use of resources were also discussed.
2. **Content Writing in Research:** The second part of the webinar focused on the techniques of effective content writing. The speaker explained the importance of clarity, coherence, and consistency in writing research papers, articles, and academic reports. Tips on how to structure an article, use citations effectively, and develop a clear thesis statement were provided. Furthermore, the importance of adhering to specific journal guidelines and ethical publication practices was underscored.

#### **Interactive Session:**

The webinar concluded with an engaging Q&A session, where participants posed questions related to plagiarism, managing citations, and handling sensitive research data. The speaker addressed all queries in detail, providing practical advice on how to maintain high standards of ethics and quality in research and writing.

The webinar was highly informative and beneficial to all attendees, particularly researchers, academicians, and students who are actively involved in research and content development. The event ended on a positive note, with the participants expressing their gratitude for the valuable insights shared by the expert.

The IQAC Coordinator extends heartfelt thanks to Speaker's and all participants for making this event a success.

USE PRECISE VERBS

- Precise verbs help readers create clearer mental images of the information you are trying to convey.
- For example, "he stomped over to the coffeepot" is much clearer and less clunky than saying, "he angrily walked over to the coffeepot."

(PARVEEN BANU)  
when you use the words or sentences, you have to be very clear
