Co-ordinators	Dr. S. Vijaya Sankari Head, Assistant Professor of Computer Applications Mrs.R.Boomadevi Head, Assistant Professor of Information Technology Mrs.S.Sumathi Assistant Professor of Information Technology Mrs.V.Jeyavani Assistant Professor of Computer Science		
Participants	Students - 82		

INDUSTRIAL VISIT

Objectives:

1. To provide students with firsthand exposure to how theoretical knowledge is implemented in practical, organization-specific scenarios.
2. To introduce students to cutting-edge technologies and trends in the technology sector, such as cloud computing, artificial intelligence, and cyber security.
3. To facilitate interactions with professionals, fostering networking opportunities and insights into career pathways in the field of technology and business solutions.

Programme Highlights:

The visit began with a warm welcome by the team at HCL Technologies. Students were given an overview of the company's history, global operations, and its contributions to the field of digital transformation and enterprise solutions. Students were taken on a guided tour of the facilities, where they observed various departments in operation. They gained insights into software development processes, infrastructure management, and client service delivery.

HCL professionals demonstrated the application of advanced technologies, including cloud computing, AI-driven solutions, and cyber security systems. Students were encouraged to ask questions and actively participated in discussions about these innovations.

A Q & A session was organized where students interacted with senior professionals and team leaders. The discussion focused on skill development, career opportunities, and the qualities sought by employers in the technology sector. Students provided positive feedback about the visit, expressing their appreciation for the practical exposure and valuable insights.

Programme Outcomes:

1. Students gained an understanding of the organizational structure, work culture, and operational dynamics of a leading technology solutions provider.
2. They were introduced to tools and innovations relevant to real-world applications, enhancing their technical and analytical knowledge.
3. The visit helped students develop critical skills such as communication, teamwork, and problem-solving, preparing them for future careers in dynamic and evolving industries.

E.M.GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE

The Departments of IT, CS, BCA, MCA, and M.Com express heartfelt gratitude to HCL Technologies for their support and hospitality. Special thanks are extended to the college administration for their encouragement and to the faculty coordinators for organizing this enriching experience.
