

DEPARTMENT : CHEMISTRY

ACTIVITY : STUDENTS EXCHANGE PROGRAMME

YEAR : 2023-2024

DEPARTMENT OF CHEMISTRY

DATE	TIME	VENUE
30.01.2024	11:45 a.m. to 01:00 p.m.	T.Rajendranar Yadav Conference Hall, Yadava College, Madurai
Theme		Empowering Chemistry Graduates: Navigating Career Path
Nature of the Activity		Students Exchange Programme - 2023
Title		Career Guidance for Chemistry Graduates in Central Government Jobs
Convener		Dr.A.Krishnaveni Head, Associate Professor of Chemistry Yadava College, Madurai
Resource Person		Mr.R.Jegan , M.Sc., B.Ed., Chemical and Metallurgical Superintendent Southern Railways, Trichy
Collaborating Department & Institutions		Academic Collaboration (MoU) Department of Chemistry, EMG Yadava Women's College, & Yadava College
Participants of EMGYWC		Faculty - 3 Student - 66

**SEP - "CAREER GUIDANCE FOR CHEMISTRY GRADUATES IN
CENTRAL GOVERNMENT JOBS"**

Objective:

To provide Chemistry graduates with comprehensive career guidance focused on securing Central Government jobs. This initiative aimed to equip students with the necessary information, strategies, and resources to navigate the competitive job market within government sectors, thereby enhancing their career prospects and professional growth.

Report:

The expert Mr.R.Jegan, **outlined** the various departments and agencies within the Central Government that regularly hire Chemistry graduates. This included notable organizations such as the Council of Scientific and Industrial Research (CSIR), Defence Research and Development Organisation (DRDO), Indian Space Research Organisation (ISRO), and the Ministry of Environment, Forest and Climate Change.

Detailed information was provided on the competitive exams and selection procedures essential for securing these positions. He also discussed prominent exams conducted by the Union Public Service Commission (UPSC) and the Staff Selection Commission (SSC), explaining the syllabus, format, and preparation strategies. An insightful overview of the typical job roles, daily responsibilities, and career progression paths within various government departments was presented. This helped students understand what to expect in their professional journeys and how to align their skills and aspirations with job requirements.

The expert shared practical tips and resources for effective exam preparation, including recommended study materials, coaching centers, and online resources. He also highlighted the importance of time management and consistent study habits.

The session was concluded with an engaging Q&A segment, where students asked questions about career paths, exam preparation, and job roles. **Mr.R.Jegan** addressed the students' individual concerns and queries.

The orientation was informative and inspiring, equipping students with the knowledge and resources needed to pursue their career goals. The event also strengthened the relationship between EMG Yadava Women's College and Yadava College, paving the way for future collaborative initiatives. The positive feedback from participants underscored the value of such programmes in enhancing educational and career prospects.

Programme Outcomes:

1. Students gained a detailed understanding of the various career opportunities available for Chemistry graduates in Central Government departments and agencies.
2. Participants acquired knowledge about the examination and selection processes, enabling them to make informed decisions regarding their career paths.
3. The programme provided practical tips and resources for effective preparation for competitive exams, boosting students' confidence and readiness.
4. The event facilitated interaction between students and experts, as well as peer networking, fostering a collaborative learning environment.
