SEMINAR ON "TALLY ESSENTIAL"

Objectives:

1. To provide a clear understanding of computerized accounting systems and their benefits.
2. To enable students to effectively use Tally for solving business problems and managing financial tasks.
3. To equip students with the skills to utilize computerized accounting software for real-time applications and to design accounting systems using Tally.

Programme Outcome:

The seminar successfully empowered students to independently create companies, enter various accounting voucher entries—including advance vouchers, reconcile bank statements, perform accrual adjustments, and print financial statements using Tally ERP.9 software. This experience ensured that students developed the necessary skills to manage accounting functions efficiently. Eventually, the students gained proficiency in Tally, positioning themselves as competent candidates for roles such as Tally data entry operators and enhancing their employability in the field of
