WEBINAR ON "ENTREPRENEURIAL AVENUES IN BOTANY"

Objectives:

1. To enhance the student's confidence in entrepreneurial avenues in botany.
2. To equip individuals with the knowledge and skills to identify and exploit business opportunities in the field of botany.

3. To develop sustainable and environmentally friendly ventures, promote biodiversity conservation, and contribute to economic growth through innovative botanical products and services.

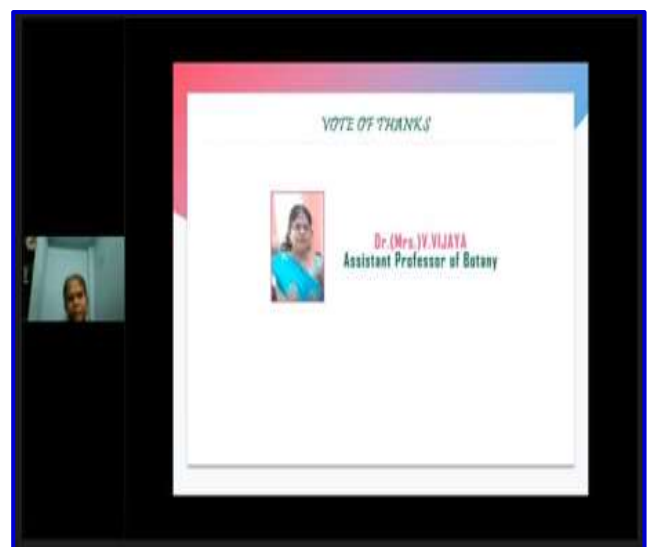

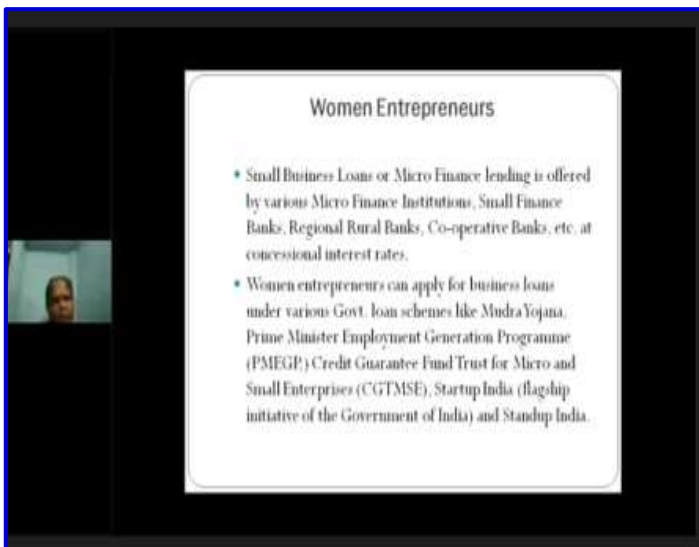

Programme Outcome:

On Successful Completion of the webinar:

1. Students learned the importance of promoting eco-friendly practices and conservation.
2. Created novel plant-based products with environmental concerns.
3. Developed knowledge on contribution to economic development through plant-related ventures.
4. Gained knowledge in entrepreneurship, marketing, and financial management.
5. Students learned how to develop, organize, and run a business enterprise by availing of grants and subsidies from government and non-government agencies.
