**ATTENDED AN INTERVIEW**

The Placement Cell of E.M.G. Yadava Women's College facilitated an interview opportunity for passed-out students at Auro Lab, Madurai, a globally recognized manufacturer of ophthalmic products. This initiative aimed to support alumni in securing promising career opportunities in the healthcare and manufacturing sector.

**Objectives:**

1. To provide a platform for passed-out students to connect with industry leaders for employment opportunities.
2. To familiarize candidates with the recruitment processes of a reputed organization like Auro Lab.
3. To enhance alumni career prospects by bridging the gap between education and professional employment.

**Event Highlights:**

The event began with an orientation by the HR team of Auro Lab, who introduced the company, its vision, and the available roles. This session included details about the company's contribution to the medical field and its work culture. Candidates were evaluated on their aptitude, technical knowledge, and problem-solving skills. Shortlisted candidates participated in a group discussion to assess their communication skills, critical thinking, and teamwork abilities. The final stage involved one-on-one interviews where candidates were assessed for their technical expertise and alignment with the organization's values.

**Outcomes:**

- Students attended the interview, showcasing their skills and enthusiasm for the opportunity.
- The interview process provided valuable exposure to the students, enhancing their confidence and readiness for future career prospects.

The Placement Cell extends its sincere gratitude to Auro Lab, Madurai, for their collaboration and support in providing this opportunity. Thanks are also due to the alumni who shared their insights and to the faculty coordinators for their efforts in organizing this initiative successfully.
