### TAILORING COUSE

#### Objectives:

1. To enhance students' skills in garment creation through practical application of tailoring techniques.
2. To nurture an understanding of diverse stitching methods and garment construction.

#### Report:

The Tailoring Course for the academic year 2022-2023 was conducted starting from 12.07.2022, open to both students and staff. Led by Mrs.Nirmala, an experienced tutor, the course offered comprehensive hands-on training in tailoring essentials. Participants

learned to stitch various items, including kerchiefs, tablecloths, and baby gowns, as well as more complex garments such as skirts, traditional blouses, designer blouses, and chudidars. Mrs.Nirmala's expert guidance allowed the 22 participants to actively engage in learning a range of sewing techniques, from basic to advanced, enhancing both their skill set and confidence in garment construction.

### **Programme Outcome:**

By the end of the course, students gained foundational knowledge of fashion trends, garment design, and the practical application of sewing machines, preparing them for entry-level roles in the apparel and fashion industry. They are now proficient in basic garment creation and familiar with the tools and techniques used in tailoring.
