**EXTENSION SERVICE ON "PYTHON PROGRAMMING"**

**Objectives:**

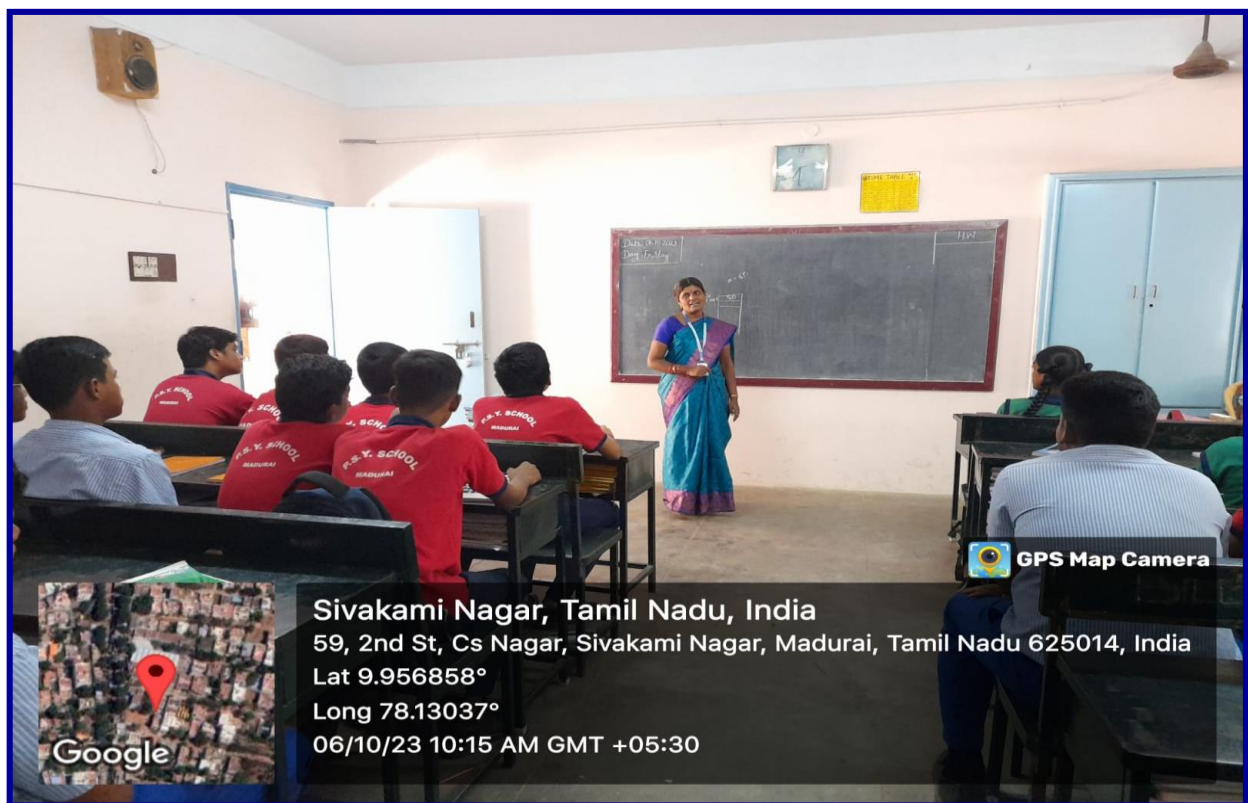

1. To help students understand the fundamental concepts of Python programming through interactive sessions and practical examples.
2. To promote collaboration among students and encourage knowledge sharing and peer learning during the programme.
3. To equip teachers with effective teaching methodologies and resources for teaching Python programming to school students.

## E.M.GOPALAKRISHNAKONE YADAVA WOMEN'S COLLEGE

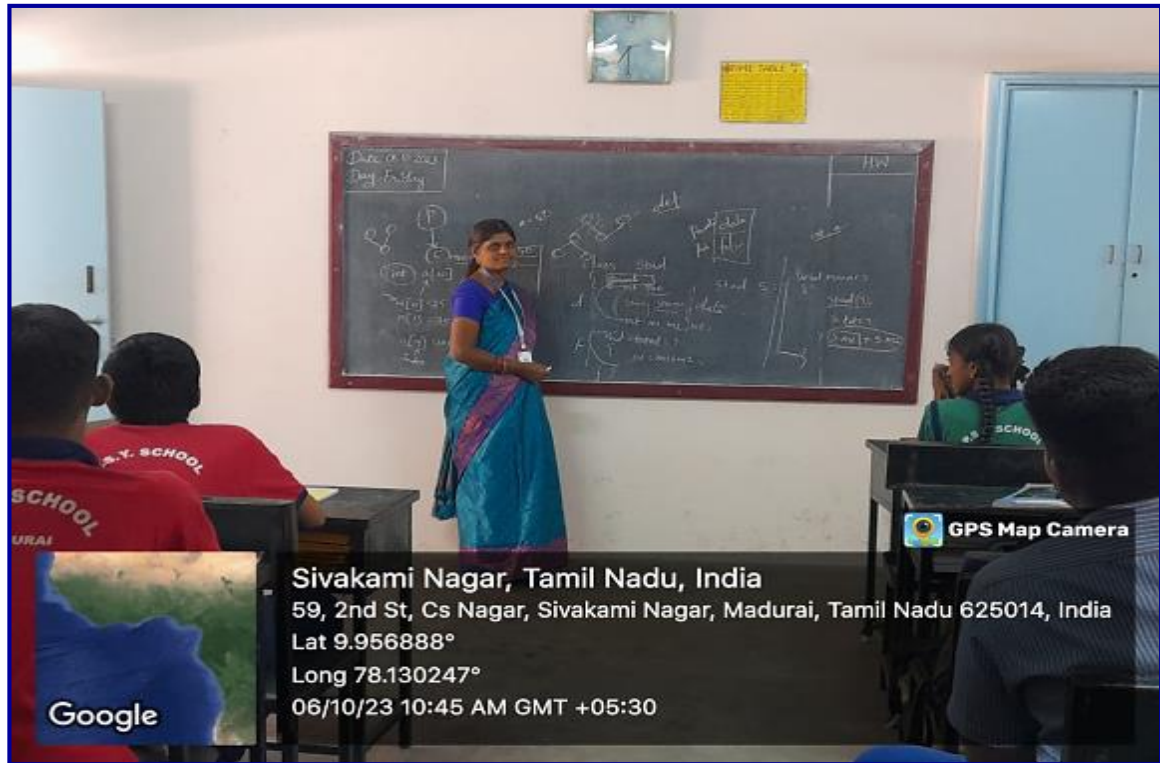

### Programme Outcomes:

1. Students felt more confident in their ability to write and understand Python code, fostering a positive attitude towards programming.
2. Students learnt to apply Python programming skills in practical scenarios, such as developing simple applications or automating tasks.
3. Students gained insights into how Python programming skills are relevant to current industry trends and demands, potentially enhancing their career prospects in the future.
