ORIENTATION PROGRAM ENTITLED "EXCELLING IN MATHEMATICS SKILL"

Objectives:

- To bring transformation in students to both academic and social aspects of an institution as they are transferred from higher secondary school to UG Level.
- To inspire and encourage the students to study the philosophical, logical, algorithmic basics in mathematics to enhance their problem solving and logical skills.

Programme Outcome:

On successful completion of the programme

1. Students were motivated to develop their competency in the basic mathematical concepts in construction of hierarchies of more complex structures and concepts.
2. Students were enlightened on how mathematics provides effective way of building mental discipline and encourages logical reasoning.
