INTERNSHIP TRAINING ON "CARE OF MUSEUM OBJECT"

Objectives:

- To provide practical experience in achieving and cataloguing museum objects.
- To understand and document the condition of museum objects effectively.

Report:

From January 4, 2023, to January 10, 2023, 45 III Year B.A. History (T.M. & E.M.) students participated in a five-day internship training on "Care of Museum Object" as part of their semester VI curriculum. The students were eager to gain practical knowledge in preserving monuments and museum objects. This internship provided them with valuable hands-on experience and deepened their understanding of museum object care and documentation.

Programme Outcome:

- Students learned to allocate identification numbers, object names, artist or creator names, object descriptions, dimensions, preservation history, and images of objects.
- Students acquired skills in database administration, including accessing and
