### ENTRY LEVEL TEST

#### Objectives:

The primary objective of the Entry Level Test is to evaluate the incoming B.Com. I year students' foundational knowledge and performance in commerce. This assessment aims to identify the students' proficiency levels to tailor the educational approach accordingly.

#### Programme Outcomes:

Upon the successful completion of the Entry Level Test, students will be categorized based on their scores using a three-point scale. This scale helped in determining the level of attention and resources each student required. The three categories are:

1. **High Performers:** Students scoring in the top tier will be recognized for their strong grasp of commerce concepts and are encouraged to take on advanced coursework and leadership roles in academic activities.
2. **Moderate Performers:** Students in the middle tier displayed adequate understanding but demand additional assistance and resources to reach their full potential.

## E.M.GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE

- Low Performers:** Students in the lower tier are provided with personalized attention. Remedial programs will be organized to address their specific area of weakness, ensuring that they receive the necessary guidance to improve their academic performance.

This structured approach aim to enhance the overall learning experience by addressing individual student needs, fostering a supportive educational environment, and ensuring that all students had the opportunity to succeed in their B.Com. Programme.
