### EXTENSION SERVICE ON "EASY STEPS TO UNDERSTAND TAMIL GRAMMAR"

#### Objective:

To simplify the fundamental aspects of Tamil grammar for participants, making it more accessible and easier to grasp, particularly for beginners and non-native speakers.

**Report:**

The activity was designed to break down complex grammatical concepts into manageable and straightforward steps for School Children. It covered key areas such as sentence structure, verb conjugation, noun usage, and basic syntax. The session was interactive, with participants engaging in hands-on exercises that reinforced the concepts discussed. Experienced faculty members led the activity, using real-life examples and simple explanations to demystify Tamil grammar. The focus was on practical application, ensuring that participants could immediately apply what they learned in their daily use of Tamil.

**Programme Outcome:**

On successful completion of the programme,

1. Students easily understood the tactics of learning Tamil Grammar.
2. The lessons were taught in an exam point of view to score marks in grammar section in a simple way.

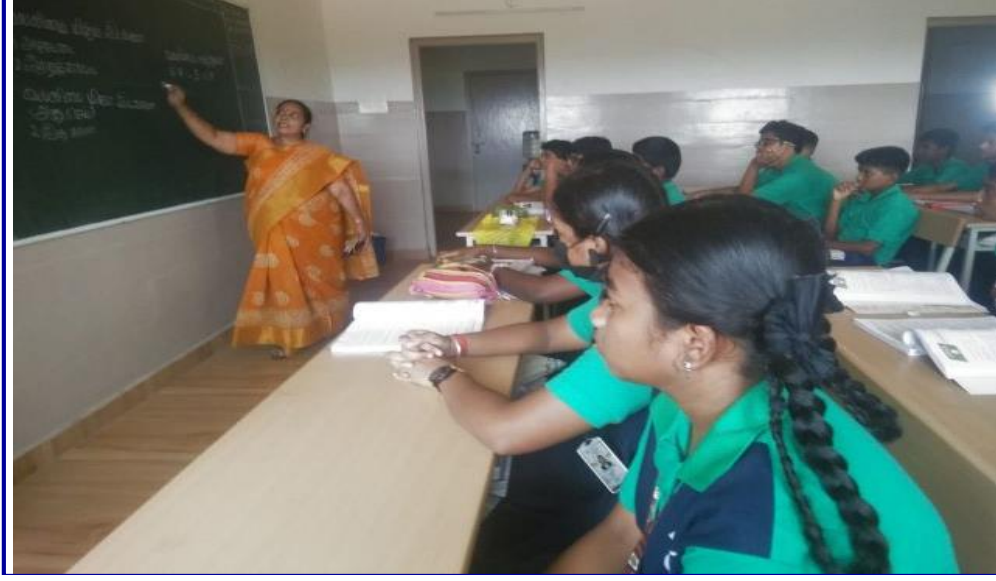

**Feedback:**

Students appreciated the clarity of the instruction and the opportunity to practice in a supportive environment. The activity not only enhanced the participants' understanding of Tamil grammar but also boosted their confidence in using the language more effectively.
