WORLD CONSUMER RIGHTS DAY

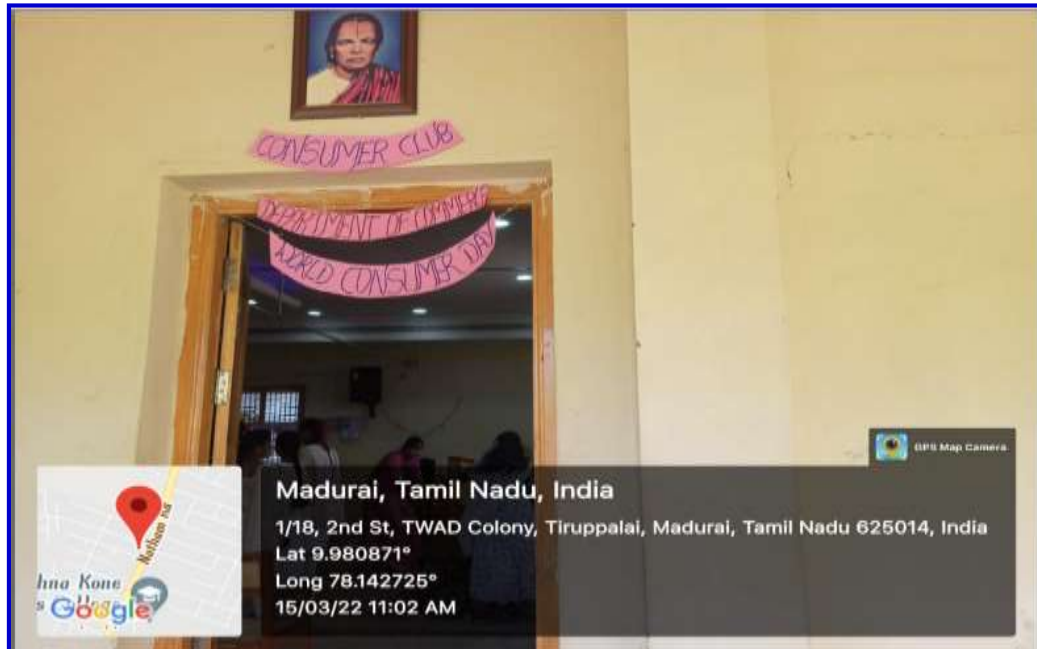

Report:

On March 15, 2022, an extensive consumer rights program was conducted in commemoration of "World Consumer Rights Day," with active participation from 400 students in our college. The collaborative effort was organized by the Consumer Club and the Department of Commerce. The program aimed to enlighten students about their rights as consumers and promote awareness through various activities.

The primary objective of the program was to educate the participating students about their consumer rights. Through engaging activities such as speeches, drawing, poster-making, and slogan exhibitions on charts, the students actively created awareness about consumer rights. Additionally, a demonstration on food adulteration further contributed to the program's goal of fostering a better understanding of consumer rights among the student community. The outcome was a more informed and empowered student body regarding their rights in the consumer domain.
