WOMENS' HEALTHCARE AWARENESS PROGRAMME- PREVENTION AND CURE

Objectives:

1. To provide affordable screening services to all women.
2. To provide education and training for women to guide those who approach them with accurate and right information.
3. To update knowledge and give training to individuals who are already in healthcare and allied services.
4. To learn about the essence of exercising and developing healthy habits.
5. To raise awareness among the students and gave awareness on women's health regarding various gynecological problems.

Programme Outcome:

1. Students gathered many information regarding physical and mental outcomes by building awareness, knowledge and decision-making abilities.
2. Students would be able to sensitize about the need of preventing diseases and promotion of health by practicing personal and environmental hygienic measures.
